SCUDDER HOME BURNS IN COUNTRY

BLAZE BREAKS OUT UNDER ROOF AND HANDSOME HOUSE GOES TO ASHES.

The handsome country home of Mr. and Mrs. Herbert Scudder in the country burned to the ground Tuesday afternoon about one o'clock, and a large part of the furniture and other household belongings was destroyed. The fire, caught under the roof at the kitchen in some unknown way, when discovered, it was breaking out on the fire of the chimney. A large fire was made against it, but had already taken its way under the roof and there was no chance to get it out. The fire then went in work to save what furniture they could, but the flames had gained such a foothold that but little could be gotten out before the roof and walls fell in, and made further work impossible.

Mr. Scudder valued the house at \$5,000. It was a fine old structure, the old English home, on the out-of-the-way place, the Shelby City and Danville pike. He had just advertised it with his farm for sale, and will hold the sale notwithstanding the loss of the house, for the farm is a valuable one. Mr. Scudder carried \$2,000 insurance on the house and furnishings, which will help some.

We had the greater part of the insurance on the above house and you will find the safest protection and best insurance in the companies represented by W. S. Fish, of Stanford.

A Mother in Israel

PASSES TO FINAL REWARD AFTER LONG LIFE.

Mrs. Sara Dunn Bright, wife of Mr. John Bright, passed away at their home on Danville avenue Thursday night after a lingering illness. With her at the time, her husband and family all of her large family of children, who were prepared for the shock but are bowed down in sorrow now that their best friend is no more.

Mrs. Bright would have been 75 years of age in December, and for 58 years had been a faithful member of the Christian church in which she was a mother in Israel. She was married in 1852, and in 1853, and in 1854, and in 1855, and in 1856, and in 1857, and in 1858, and in 1859, and in 1860, and in 1861, and in 1862, and in 1863, and in 1864, and in 1865, and in 1866, and in 1867, and in 1868, and in 1869, and in 1870, and in 1871, and in 1872, and in 1873, and in 1874, and in 1875, and in 1876, and in 1877, and in 1878, and in 1879, and in 1880, and in 1881, and in 1882, and in 1883, and in 1884, and in 1885, and in 1886, and in 1887, and in 1888, and in 1889, and in 1890, and in 1891, and in 1892, and in 1893, and in 1894, and in 1895, and in 1896, and in 1897, and in 1898, and in 1899, and in 1900, and in 1901, and in 1902, and in 1903, and in 1904, and in 1905, and in 1906, and in 1907, and in 1908, and in 1909, and in 1910.

SIPPLE GETS \$250

In the Court of Appeals, the case of Tip Sparks against C. J. Sipple from Laurel, was affirmed. Sipple recovered \$250 for assault and battery.

A SPLENDID BUSINESS OPPORTUNITY.

A nice two-story 8 room residence and hall, two porches; fine cellar; splendid well at door; good barn; coal wood and buggy house. On same lot a frame store room 22x48 containing a splendid stock of general merchandise, all the buildings are in good repair. This property is on Main street in a good business town, and the lot contains about two acres of land. Will sell at a whole. All the improvements go at \$1,750 and the stock of goods to be included at a very liberal discount. We have this option for a quick sale and at a bargain. Act quick. See L. R. Hughes or W. L. McCarty.

TALKED TO CHAUTAUQU.

Wednesday afternoon at 1:30 P. M., Miss Meddie O. Hamilton, field secretary of the C. L. S. U. visited the local chautauqu circle and gave a most interesting lecture on Burns, at the high school building. She also developed the dominant thought of this year's course democracy and the brotherhood of man. This course fostered by our local teachers and others interested in educational growth should prove most beneficial.

This indicates the action of Foley's Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates. "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley's Kidney Pills. These cured me entirely of all my ailments. I was troubled with backache and severe shooting pains with annoying urinary irregularities. The steady use of Foley's Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation. Shugars and Tanner.

NEW HIGH BRIDGE ON Q. & C. ACROSS KENTUCKY RIVER.

Early in 1911, the new High Bridge which is to span the Kentucky river on the Queen & Crescent route, will have been completed. It will be the highest bridge spanning a navigable stream on the American continent and to be the most massive structure of its length and breadth known to the civilized world and will have a sustaining capacity of 7,200 tons. In the erection of this wonderful span more than two million two hundred thousand rivets and fourteen million pounds of tested steel are required. Almost two years were spent in manufacturing the great steel sections that are being combined to produce this marvelous product of American skill and genius. The old bridge which has attracted sightseers of every nation is constructed of iron in weight one-fourth as massive as the

steel of which the new new bridge is being made. On account of the superior material of the new structure it will have about five times the sustaining power of old one. From the top of the rails of the new bridge to the water in the river below, the distance is 315 feet. It will require 140,000 pounds of steel rails and 2,000 tons to build the track across the bridge which is 1,233 feet in length. Thousands of people are now being attracted to the scene to witness the building of a structure the like of which exists nowhere else on the whole American continent and is fitting that this marvelous handwork of man should have as its setting a landscape that is unrivaled in natural beauty and charm. Picturesque Kentucky river, with its towering cliffs lifting themselves

more than three hundred feet above the river line, are in full view from the train while passing over the bridge. At this point the winding stream has been denominated by tourists of all countries as the Switzerland of the Western Hemisphere. The wonderful height and powerful strength of the connecting length of steel may be attained elsewhere, but the amazing picture, which nature has painted for the background can never be approached in the category of human achievements.

The readers of this paper will be pleased to learn that there is at least one divided disease that science has been able to cure in all its stages, and that is Catarrh. Halls Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Halls Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and securing nature in doing its work. The proprietor has so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Nature makes the cures after all.

Now and then she gets into a tight place and needs helping out.

Things get started in the wrong direction.

Something is needed to check disease and start the system in the right direction toward health.

Scott's Emulsion of Cod Liver Oil with hypophosphites can do just this.

It strengthens the nerves, feeds famished tissues, and makes rich blood.

The Norleigh Diamond Watertite Hunting Coat

A coat with style and class and the most practical hunt- ing coat ever designed. It is absolutely water-tight, yet light and flexible. A coat made to fit a hunter and very liberal in cut.

Is bound with leather; has leather- covered shoulders; five outside cut- in pockets, one outside patch pocket and has full game pockets through- out the entire coat. The corduroy collar fits perfectly and when turned up fastens with storm strap. The button holes are all worked with silk, silk-stitched stays at the strain- ing points.

Has ventilated under arm gussets and adjustable cuffs. The water- proofing is by a new process that is really water-tight.

If you want a coat that has class, style, and yet room for any reasonable "bag," investi- gate this coat.

WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done Great Service for People Who work

In Stanford.

Most Stanford People work every day in some staid, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling, and trying the back in a hundred other ways. All these strains tend to wear weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kid- ney Pills cure sick kidneys, put new strength in bad backs. Stanford cures prove it.

John R. Wren, E. Main Street, Stan- ford, Ky., says: "I know from experi- ence that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. Often I did work that required stooping and at such times 'th' backache became much worse. There was also a too frequent desire to void the kidneys secretions. I felt relieved and have never failed to day and night. Doan's Kidney Pills benefit me since then when I have taken them."

For sale by all dealers. Price five Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
